

GDAC Patio Rules

Our dog friendly patio is a privilege granted to us by the City of Atlantic City, and as such we ask that you (the dog owner) agree to these rules before entering the patio.

1. Dogs must be on a short leash, no longer than 6-feet, and secured.
2. Dogs, much like their owners, must be well behaved.
3. Dogs that are aggressive towards other dogs, patrons or staff will be asked to leave.
4. Dogs that are disturbing the peace on our patio by barking excessively or in any way disturbing other guests will be asked to leave.
5. Please do not let your dog poop or pee on the patio. Owners are responsible for cleaning up after their dogs should they have an accident.
6. Dogs cannot enter the building at any time. Dogs may enter through the patio gate only.
7. Dog owners are always responsible and liable for the actions and behavior of their dogs.
8. Dog owners are responsible for ensuring your dog's vaccinations are all up to date.
9. Never leave your dog unattended!

You hereby accept full responsibility for any incidents that cause injury or distress.
